Apprentice Application Form

Position Applying For: Apprentice Electrician
Please kindly return the completed form to: info@haysham.co.uk

1. THE ROLE

This is a college- and site-based apprenticeship. You will attend college in line with the JTL training syllabus, working towards your exams and the qualifications required to become a fully qualified electrician.

When you are not attending college, you will work on-site under the supervision of a Haysham engineer, assisting with day-to-day electrical tasks and gaining valuable practical experience to develop your skills and knowledge within the trade.
